MEMBERS PRESENT: Dale Pomeroy, Aaron Bacon, Esther Borte, Mike Morgan, Jill Davis, and Jim Fluckinger.

MEMBERS ABSENT: Jon Cravens.

GUESTS: Mayor Steve Dobosh, Joh Jones, James Lovelady, and Ric Kindle.

CALL TO ORDER: The meeting was called to order at 3:00 p.m. by Chairman Dale Pomeroy.

APPROVAL OF MINUTES: Aaron made a motion to approve the August 10, 2016 meeting minutes, Esther seconded the motion. Motion carried unanimously.

SECRETARY'S REPORT: Nothing.

NEW BUSINESS: Nothing.

OLD BUSINESS: RCO Grant Application. The final presentation was done on August 31st, just waiting to hear back from them.

Steamboat Alley. The mural has been started and Jamie is still selling pavers for \$100.00 each. Jamie is always looking for volunteers to help out.

Walk In the Park Fundraiser. Approximately 20 participants have pre-registered for the walk. We received \$650.00 in sponsorships and a few gift baskets and gift certificates. The Lions Club will be providing a bbq lunch of hotdogs, chips, and pop/water. We are still looking for some people to cook the lunch and provide a grill. Mayor Dobosh will be going to the High School tomorrow to speak to the students about the event.

Park Sign. City Council did not want to put a sign up in the park at this time. The gate will be closed in the evenings and reopened in the morning until the rainy season hits. Once the park is winterized the gate will remain shut and the existing sign that says "Park Closed to Vehicle Traffic" will be put on the gate. The park will remain open to foot traffic and special events.

Oregon Trail Monument. The Daughters of American Revolution will be hosting a rededication ceremony next Tuesday, September 27, 2016.

WWTP Ponds. Aaron asked if there was any progress on the bike park with the ponds. Jill explained that no one has heard from Mr. Hoisek. His plan needed some more work before work

could begin. The County is still dumping their unwanted dirt in the ponds.

OTHER BUSINESS:

Welcome To Toledo Sign. The Welcome To Toledo sign adjacent to the bridge was knocked down during a vehicle accident. Mike wanted to know if the City was planning on putting it back up. The father of the gentleman that placed the sign is willing to help out when it is ready to go up. Mayor Dobosh explained that there are some costs with reinstalling the new sign so the City is looking into turning the damage into the car insurance company from the accident.

PUBLIC INPUT: James Lovelady had an idea to bring art to our walking trails. He would like to see different art pieces placed along the Old Pacific Road walking trail. It was explained that this trail is owned and maintained by Lewis County. The board liked his though.

ADJOURN: As there was no further business, Aaron made a motion to adjourn the meeting, Mike seconded the motion. Motion carried unanimously. Meeting was adjourned.
