Workshop purpose was to review regulations for Food Trucks to operate within the City limits that the City Hall staff drafted.

Commissioners reviewed all information and only had a few changes to the plans. Thursday Market is exempt from these specific regulations. There cannot be a like business within 150' of brick-and-mortar similar business, Thursday Market would be exempt from this also. i.e., a taco truck cannot operate within 150' of a Mexican Restaurant. A business cannot add everything to their menu to eliminate Food Trucks, the items must be their main items. For instance, if the main menu item is hamburgers and French fries but they offer pocket pizza this would not eliminate a Food Truck from selling pizza. A Food Truck would not be able to sell hamburgers though. These documents will be presented to City Council at the next meeting.

**ADJOURN:** Eric adjourned meeting at 6:30 p.m.
