Toledo City Council Workshop
March 29, 2022

THE MEETING WAS CALLED TO ORDER BY MAYOR STEVE DOBOSH AT 5:30 P.M.

Council Members Present: Eric Hayes, Glenda Forga, Shelly Thomas, Emily Morgan and Jamie Scalise.

Employees Present: Michelle Whitten, City Clerk/Treasurer; Jill Davis, Deputy Clerk; Deavon Jacobson, Police Clerk/Public Records Officer.

Guests: None.

The purpose of the Workshop was to discuss the salaries for the new positions of City Clerk and City Treasurer.

Eric handed out a spreadsheet of salary comparisons. Council had a general discussion on it. Glenda expressed that she does not think the Public Works Department needs to be included in this; it should be done in a separate meeting. There was a disagreement between Glenda and the Mayor. Glenda resigned from her position.

Eric explained his spreadsheet to the remaining council members. Jamie provided a spreadsheet also and explained it. There was a general group discussion on what the salaries should be, steps for raises and the Public Works Department. Council discussed how to give the Public Works Assistant a raise and where the money would come from.

Jill asked if council could explain why the Public Works Assistant should be getting a raise at this time since his salary was just set during budget season. There was another lengthy discussion on how to get the Public Works Assistant a raise and where to get the money from. Council would like to give him \$260.00 extra now and re-evaluate at the end of the year during budget. Shelly said that reviews need to be done on employees and a meeting about the Public Works Department.

Mayor and Emily had a heated discussion about the Public Works Department. Council agreed on step B from Eric's salary schedule spreadsheet for wages and will present it at the next council meeting.

Mayor adjourned the workshop.
